   a. Board trainings (free of charge): To review financial statements and responsibilities. Takes about 1 hr. and 45 min.
   b. Also- happy to have an executive session as well.

iii. Questions:

1. R. Bass asked: For the benefit of the Board what is GASB/FASB?
   a. These are Governmental Standards in which the ASI Board lands under. In essence the accounting rules how the company and organization are bound by GASB/FASB to process account transactions and financial reporting.

2. R. Bass asked: Were there any management letter that were discussed with management?
   a. Nothing to report.

3. R. Bass asked: In regards to the 501c3, is there any guidance we need to be aware of when surplus grows to excessive amounts?
   a. No, not for us. But you could consider to designate funds for contingencies for the future.

4. C. Derrico stated that in our records we have our funds balances at a higher amount?
   a. This is just the sum of the net assets.

iv. R. Bass explained to the Board that when the Board votes on this, you are stating you understand and are comfortable with this vote. R. Bass further shared that this is a good audit and ASI is in a good financial position.

IV. Motion to approve the Audit, M/S/P (J. Booker/S. Andrzejewski) Motion passed 7-0-2

i. Last week Karina Hinojosa chaired the meeting and today Riley Leal has graciously done so. To assist the Board, we will be offering some lunch time opportunities to practice and hone skills when it comes to Parliamentary Procedure. We want the Board to feel
comfortable and it is an essential tool and to assist in business. Additionally, please use your Board binder as a resource.

c. ACTION ITEM: ASI Board Officer Appointments (R. Leal)
   i. Chair
      1. No nominations
      2. H. Alatorre encouraged the Board members to serve as the chair. Additionally, H. Alatorre shared that the ASI office is still actively recruiting for the two Board vacancies. There have been a few that have expressed interested and the hope is that they would be able to attend the next Board meeting in October.

   ii. Secretary
      1. Carisa Arellano nominated them self for the position. R. Bass seconded the nomination
         a. C. Arellano shared with the Board that they would like to be more involved with the Board and sees this as a great opportunity to do so.

         b. Carisa Arellano was appointed the ASI Board Secretary

d. INFORMATIONAL ITEM: Financial Training (C. Derrico)
   i. Presented a PowerPoint to the Board about the structure and obligations of the ASI Board as it pertained to their fiduciary responsibility

e. ACTION ITEM: BASC Committee Appointment (H. Alatorre)
   i. This item is being brought to the Board, ideally the Chair would assist with this, but the BASC needs to be formed sooner rather than later due to the work of the committee needing to occur before the next Board meeting and within the ASI Board bylaws, it allows for the ASI Executive Director to do the work of the Chair in their absence.

   ii. The committee preference sheets were reviewed, specifically the first and second choices. As per those preferences I present a list of committee members for the BASC for the Boards consideration.
      1. Matt Fennell, Riley Leal, Jennifer Moss, Carisa Arellano, Toni Deboni
      2. This does leave one student vacancy as this committee, per the bylaws, must be made up entirely of Board members, and the majority of the six members, must be students.

   iii. As stated above, currently the bylaws state this committee must be comprised of solely Board members, but on behalf of the Board, we will be investigating if that can be altered, but as stands, the BASC needs to be solely made-up of Board members.

   iv. R. Bass moved to approve the recommendation of BASC members as recommended by the ASI Executive Director, Elizabeth Heim seconds.
      1. Discussion:
a. C. Arellano asked for clarification on how many meetings this committee would have.
   i. H. Alatorre shared that it depends on the time of year and the need. Usually the committee meets once a week, but sometimes twice a week. Specifically the fall semester will be lighter than the spring semester in regards to the meetings.
