AN ACCOUNTANCY CORPORATION CERTIFIED PUBLIC ACCOUNTANTS | AUDITORS AND ADVISERS

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Associated Students of California State University Channel Islands, Inc. (Associated Students, Inc.) Camarillo, California

We have audited the accompanying financial statements of Associated Students of California State University Channel Islands, Inc., which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT - Continued

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Associated Students of California State University Channel Islands, Inc. as of June 30, 2020, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described in Note 8 to the financial statements, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic on March 11, 2020 and recommended containment and mitigation measures worldwide. The ultimate financial impact and duration of these events cannot be reasonably estimated at this time. Our opinion is not modified with respect to that matter.

Change in Accounting Principles

As described in Note 2 to the financial statements, Associated Students of California State University Channel Islands, Inc. has adopted ASU 2014-09 *Revenue from Contracts with Customers* and ASU 2018-08, *Not-for-Profit Entities, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* Our opinion is not modified with respect to that matter.

Report on Summarized Comparative Information

We previously audited Associated Students of California State University Channel Islands, Inc.'s 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 19, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

The summary financial statements do not contain all the disclosures required by accounting principles generally accepted in the United States of America. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of Associated Students of California State University Channel Islands, Inc.

INDEPENDENT AUDITORS' REPORT - Continued

Other Matters

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, GASB Footnotes, Expenses by Natural Classification, and Other Information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, GASB Footnotes, Expenses by Natural Classification, and Other Information are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, GASB Footnotes, Expenses by Natural Classification, and Other Information, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, GASB Footnotes, Expenses and Changes in Net Position, GASB Footnotes, Expenses by Natural Classification, and Other Information, and other information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

1. ORGANIZATION

Nature of Organization

Associated Students of California State University Channel Islands, Inc. (Associated Students, Inc.) was created on November 7, 2003 pursuant to the General Nonprofit Corporation Law of the State of California and was organized to promote and assist education, administration and related services of the California State University Channel Islands (University). All registered California University students are members of Associated Students, Inc. and pay fees to Associated Students, Inc. as part of their registration. Associated Students, Inc. operates as an auxiliary organization of the University under an operating agreement with the Trustees of the California State University (the Trustees) which expires July 31, 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Reporting

The Associated Students, Inc. prepares its financial statements in accordance with generally accepted accounting principles (GAAP) promulgated in the United States of America. The significant accounting and reporting policies used by the Associated Students, Inc. are described below to enhance the usefulness and understandability of the financial statements.

Net Assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

• *Net assets without donor restrictions.* Net assets without donor restrictions are resources available to support operations. The only limits on the use of net assets without donor restrictions are the broad limits resulting for the nature of the organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

• *Net assets with donor restrictions.* Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. The Associated Students, Inc.'s unspent contributions are classified in this class if the donor limited their use. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. Net assets restricted for acquisition of buildings or equipment (or less commonly, the contribution of those assets directly) are reported as net assets with donor restrictions until the specified asset is placed in service by the Associated Students, Inc., unless the donor provides more specific directions about the period of its use. The Associated Students, Inc. did not have any net assets with donor restrictions at June 30, 2020.

All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the use of the related resources is subject to donor restrictions. All expenses and net losses other than losses on endowment investments are reported as decreases in net assets without donor restrictions.

Cash and Cash Equivalents

Cash and cash equivalents are short term, interest bearing, highly liquid investments with original maturities of three months or less, unless the investments are held for meeting restrictions of a capital or endowment nature. At year-end, and throughout the year, the Associated Students, Inc.'s cash balances, deposited in the bank, exceeded federally insured limits. Management believes the Associated Students, Inc. is not exposed to any significant credit risk on cash and cash equivalents.

Receivables

Receivables consists of a loan receivable, related party receivables and other miscellaneous receivables. The Associated Students, Inc. uses the allowance method of accounting for receivables determined to be potentially uncollectable. In management's opinion, all receivables were collectible at year-end and therefore no allowance has been established.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Property and Equipment, Net

Property and equipment is recorded at cost and/or fair market value. The minimum dollar amount for capitalizing and depreciating an asset is \$5,000. Depreciation is provided on the straight-line method over estimated useful lives of three to twenty years, as follows:

Equipment

5 - 10 years

Property and equipment are reviewed for impairment when a significant change in the asset's use or another indicator of possible impairment is present. No impairment losses were recognized in the financial statements in the current period.

Accounting for Contributions

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in with net assets donor restrictions, consistent with the nature of the restriction. Unconditional promises with payments due in future years have an implied restrictions until the payment is due, and therefore are reported as net assets with donor restrictions until the payment is due unless the contribution is clearly intended to support activities of the current fiscal year or is received with permanent donor restrictions. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

Contributed Goods and Services

Contributions of goods received that are measurable are recorded as revenue at their estimated fair value when received. Contributions of services are recognized if the services received meet any of these criteria: (1) if they create or enhance nonfinancial assets and (2) if they require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

No contributed goods and services qualified for recognition during the year ended June 30, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Revenue Recognition

Revenues for services provided are recognized when earned by the Associated Students, Inc. All gifts, bequests, and other public support are included in net assets without donor restrictions unless specifically restricted by the donor or the terms of the gift or grant instrument. Amounts received in excess of balances earned are recognized as liabilities.

Revenue received where the restriction is met in the same fiscal year is reported under net assets without donor restrictions.

Functional Expenses

Expenses are charged directly to program, activity or administration in general categories based on specific identification. Indirect expenses have been allocated based on salary, square footage and terminal port calculations.

Income Taxes

The Associated Students, Inc. is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and California income taxes under section 23701(d) of the California Revenue and Taxation Code. The IRS classified the organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

The Associated Students, Inc. has adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) Section 740-10, which clarifies the accounting for uncertainty in income taxes. ASC Section 740-10 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC Section 740-10 requires that an organization recognize in the financial statements the impact of the tax position if that position will more likely than not be sustained on audit, based on the technical merits of the position. As of and for the year ended June 30, 2020, the Associated Students, Inc. had no material unrecognized tax benefits, tax penalties or interest.

The Associated Students, Inc.'s Forms 990, *Return of Organization Exempt from Income Tax*, for each of the three years ended June 30, 2019, 2018, and 2017, are subject to examination by the IRS, generally for 3 years after they were filed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, Associated Students, Inc.'s management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. Associated Students, Inc.'s management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Comparative Totals

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Associated Students, Inc.'s financial statements for the year ended June 30, 2019 from which the summarized information was derived.

Reclassifications

There are no reclassified amounts in the comparative totals.

Adopted Accounting Pronouncements

In May 2014, the FASB issued ASU 2016-09, *Revenue from Contracts with Customers (Topic 606)*. ASU 2016- 09 outlines a single, comprehensive model for companies to use in accounting for revenue arising from contracts with customers. The core principle of the revenue model is that revenue is recognized when a customer obtains control of a good or service. The change in accounting principle was adopted on the retrospective basis which resulted in no change to revenue previously reported and, also had no effect on the revenue recognized for the year ended June 30, 2020.

In June 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-08, *Not-for-Profit Entities* (Topic 958), *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. ASU 2018-08 clarifies and improves guidance for contributions received and contributions made and provides guidance to organizations on how to account for certain exchange transactions. This clarifies whether to account for transactions as contributions or as exchange transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities. The change in accounting principle was adopted on a modified prospective basis in 2019. As a result, there was no cumulative-effect adjustment to opening net assets without donor restrictions or opening net assets with donor restrictions as of July 1, 2019. There was no financial effect of adopting the new accounting principles on contributions for the year ended June 30, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Fair Value Measurements

The Associated Students, Inc. reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal or most advantageous market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

- *Level 1* Quoted prices for identical assets or liabilities in active markets to which the Associated Students, Inc. has access on the measurement date.
- *Level 2* Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets in markets that are not active;
 - observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
 - inputs derived principally from, or corroborated by, observable market data by correlation or by other means.
- *Level 3* Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The carrying amounts of cash and cash equivalents and accounts receivable approximate fair value because of the terms and relatively short maturity of these financial instruments.

The carrying amounts of liabilities, approximate fair value because of the relatively short maturity of these financial instruments.

When available, the Associated Students, Inc. measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

3. LOAN RECEIVABLE

In March 2013 Associated Students, Inc. entered into a promissory note with CI University Auxiliary Services, Inc. for approximately half of the construction of Pizza 3.14 in the Town Center. The loan amount of \$278,000 bears interest at 2% with full payment to be completed by January 2033. The loan calls for monthly payments of \$1,406. The loan receivable balance owed at June 30, 2020 was \$187,604. The related party loan receivable is stated at fair value for purposes of the report.

Management believes that all amounts will be received when due, therefore, no allowance for uncollectible receivables has been established.

4. PROPERTY AND EQUIPMENT, NET

Property and equipment for the year ended June 30, 2020 consists of the following:

Equipment	<u>\$ 166,662</u>
	166,662
Accumulated depreciation	(98,555)
Net Property and Equipment	<u>\$ 68,107</u>

Depreciation expense for the year ended June 30, 2020 was \$29,132.

5. RELATED PARTY TRANSACTIONS AND ECONOMIC DEPENDENCY

Related party receivables consist of the following:

	Ju	ine 30, 2020
California State University Channel Islands	\$	2,462,651
California State University, Channel Islands Foundation		4,500
CI University Auxiliary Services, Inc.		40,619
Total	\$	2,507,770

The receivable from the University includes funds held on behalf of Associated Students, Inc. relating to student fees in the amount of \$2,431,522.

Management believes that all amounts will be received when due, therefore, no allowance for uncollectible receivables has been established.

5. RELATED PARTY TRANSACTIONS AND ECONOMIC DEPENDENCY - Continued

Related party payables consist of the following:

	Ju	ne30, 2020
California State University Channel Islands	\$	36,251
California State University, Channel Islands Site Authority		3,119
CI University Auxiliary Services, Inc.		128,656
Total	\$	168,026

As discussed in Note 1, Associated Students, Inc. operates under agreements with the Trustees. Accordingly, essentially all revenues, and realization of certain assets, are dependent upon the continuation of this agreement.

6. FUNDS HELD FOR OTHERS

Funds held for others at year end were \$151,865 and is held in custody for various CI Student Organizations.

7. NET ASSETS

Net assets without donor restrictions consisted of the following at June 30, 2020:

Board designated – program development	\$ 491,772
Board designated – catastrophic events	1,251,886
Board designated – economic uncertainty	1,286,364
Undesignated	
Total	<u>\$ 3,030,022</u>

Board designated funds represents net assets without donor restrictions allocated for contingencies related to operations.

8. STUDENT ACTIVITY FEES

Each student enrolled at California State University Channel Islands is required to pay fees each semester to support Associated Students, Inc. as follows:

- Associated Students Fee of \$75, per semester, per student. The \$75 Associated Students Fee is to cover expenses of Student Government, Student Programming, The Nautical yearbook, The CI View newspaper operations, and other activities. All Associated Students Fees are collected in trust at the University, and reimbursed to Associated Students, Inc. once requested. Revenues are recorded on Associated Students, Inc.'s books as earned in the semester in which the student enrolls with a corresponding receivable from the University for the amounts unpaid.
- Student Body Center Fee of \$162, per semester, per student. The \$162 Student Body Center Fee is to first cover debt service, debt service reserves, the general operation of the student union and other activities. The entire \$162 Student Body Center Fee is recorded as revenue by the University and the portion for general operation, (after debt service requirements are met) are transferred to Associated Students, Inc. The amount is agreed upon between the Associated Students, Inc.'s Treasurer and the University Chief Financial Officer.
- The University borrowed \$13 million for the construction of the Student Union which opened spring 2010. The University maintains a portion of the Student Body Center Fee to pay for debt service and to maintain a reserve. At June 30, 2020 the University had accumulated \$3,892,178 in total reserves and is holding reserves to make debt service payments as well as maintenance and repairs, as per policy.

9. CONTINGENCIES

COVID-19

On March 11, 2020 the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The ultimate financial impact and duration of these events cannot be reasonably estimated at this time.

10. LIQUIDITY AND AVAILABILITY

The total financial assets held by the Associated Students, Inc. at June 30, 2020 and the amount of those financial assets that could be made available for general expenditure within one year of the date of the statement of financial position are summarized in the following table:

	<u>June 30, 2020</u>
Financial assets:	
Cash and cash equivalents	\$ 595,836
Accounts receivable	4,086
Loan receivable	187,604
Related party receivables	2,507,770
Total financial assets	<u>\$ 3,295,296</u>

Financial assets available to meet cash needs for general
expenditures within one year\$ 3,295,296

In addition to existing financial assets available to meet general expenditures within one year the Associated Students, Inc. receives significant contributions, and considers contributions restricted for programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. The Associated Students, Inc. manages its liquidity and reserves following three guiding principles: Operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. The Associated Students, Inc. has a liquidity policy to maintain current financial assets less current liabilities at a minimum of 180 days operating expenses and has a policy to target a year-end balance of reserves of unrestricted, undesignated net assets at 180 days of expected expenditures. To achieve these targets, the entity forecasts its future cash flows and monitors its liquidity and reserves was managed within the policy requirements.

11. SUBSEQUENT EVENTS

The Associated Students, Inc. has evaluated events subsequent to June 30, 2020, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through September 17, 2020, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.
