

CSUCI Fraternity & Sorority - Academic Requirements

Recognized fraternities and sororities at CSUCI are expected to promote the academic achievement of its members. With this in mind, the following academic requirements must be followed:

General Information

1. Each semester (fall and spring), the total chapter must achieve a 2.0 GPA or above.
2. Each semester (fall and spring), the new member class must achieve a 2.0 GPA or above.
3. No potential new members may go through formal or informal recruitment without having a 2.0 GPA or above for both cumulative and previous completed semester. (This does not apply to a freshman student.)
4. The chapter GPA and new member class GPA computation is based upon December and April Roster Updates. Once the roster update is completed, no changes will be made.

Academic Probation

1. Chapters (total chapter) that fail to achieve a minimum 2.0 GPA will be placed on academic probation.
2. Chapters whose New Member class fails to achieve a minimum 2.0 GPA will be placed on academic probation.
3. A new member that fails to achieve a 2.0 GPA will be placed on academic probation.
4. Academic probation lasts for one semester and consists of required chapter programming, significant reduction in chapter activities and individual member assistance/monitoring.
 - Failure to complete the provisions in a timely manner may result in a change in the chapter's or individuals' status in the chapter or at the University as a whole.
5. If the chapter (total chapter) achieves a 2.0 GPA or higher at the conclusion of the probation, the Academic Probation will be lifted.

Academic Suspension

1. If the chapter (total chapter) fails to achieve a 2.0 GPA at the end of the Academic Probation, the chapter will be placed on Academic Suspension.
2. Academic Suspension lasts for one semester and consists of a total cessation of chapter activities. Failure to abide by the terms of the Academic Suspension may result in a change in the chapter's recognition status.
3. To be removed from Academic Suspension, the chapter (total chapter) must achieve above a 2.0 GPA at the conclusion of the probationary period.
4. Failure to achieve a 2.0 GPA or higher will result in the loss of University recognition for a minimum of one academic year.
