Dr. Sawyer suggested that ASI should be seen as a supportive force for the students. Mr. Wagner would like to see the word ‘services’ be placed before ‘publications’. This process should be written into the ASI logo policy. The issue of who funds the plaque was discussed, should the funds come from ASI or from the budgets that are requested of the area.

9. **Entity Reports**

   A. **SPB** – Madam Chair speaks for SPB specifying that they had their last event for Fall 08 semester. SPB attended NACA, National Association for Campus Activities and brought back some great ideas.

   C. **The Nautical**- Madam Chair reported for the Nautical: The Nautical is still looking for a new advisor. Lisa Power and Ms. Benoit went to U-Build-A-Book located in Camarillo and found that the new book would be about $10 less for the students. Over Christmas break Ms. Benoit plans to contact Ventura Printing to see if they could possibly offer a lower quote to compete with this company and also what their quotes are regarding print by order. Organization theme for this book is "Something old, something new, something borrowed, something true..." the staff will organize stories in the yearbook into what they closely relate to, and the something true category is reserved for traditions and stories that CSUCI holds true to, that we as a campus community believe. Next semester, we will allow the freshman staff to apply for Editor Positions because they will have a CSU GPA and we need officers. We will also be having a bonding retreat, and we took staff pictures at the beach that came out wonderful.
