      i. Mr. Lebioda specified that it is getting to the end of construction and the building is making progress. Furniture has arrived. Will coordinate the move of the copier from the Hub to the SUB.
   B. ASI/USU Policies and Procedure Update:
      i. Mission Statement: Dr. Evans Taylor requested feedback regarding the ASI mission statement.
         I. Student Union- Mr. Booker requests feedback from the Board
            a. Ms. Pollack suggests that the format not be bullet points but commas.
            b. Mr. Schallert, recommends doing away with the bullet points as well as specifies the items bulleted are more of ways to achieving the first sentence, “The Student Union serves to foster community and enhance student learning and development on the CSUCI campus…”
            c. Dr. Adams inquires where Mr. Schallert suggests the goals should be conveyed. By placing the goals in the mission statement they are likely to be maintained.
            d. Mr. Schallert specified that after looking at other universities’ mission statement; he found that the proposed mission statement is not the format others have used but more outcomes of achieving. He feels mission statements should be lofty and the bullet points are less lofty than other institutions.
            e. Dr. Adam suggests that because one of our initiatives of the campus is to be a green campus then it should be upheld in the mission statement.
f. Ms. Faria thinks we should keep it because of the transition of the board, new board members should know our goals and thought process.
g. Ms. Lockwood suggests that we keep the goals because there can be other ways to enhance student learning and development that we cannot achieve, leaving them in specifies exactly what we are accountable for.
h. Mr. Lebioda states that you are not to change the mission statement continuously, objectives and aims can change but what goes in the mission will be there for a long period of time.
i. Ms. Coville stated that if the bullet points were not included, how can we tell that it is the mission statement of the Student Union, it proves to differentiate us from other areas of campus.
j. Mr. Lebioda suggests the third bullet point read creating new opportunities for students and staff development- Dr. Evans Taylor specified that we attended it to include student.
k. Mr. Booker calls for a motion: Ms. Lockwood moves to approve the Student Union mission statement with using commas and not bullet points, Dr. Adams seconds, motion approved.

II. ASI Mission Statement- Change that was included in the mission statement was “operating facilities and” in order to reflect the new addition of the Student Union building.
a. Ms. Pollack brought the ASI mission statement to the Student Government Senate; after reviewing it they felt the addition is a task and not necessary in the mission statement.
b. Mr. Lebioda feels that the language is already implied as it stands within the mission statement.
c. Ms. Pollack moves to approve the ASI Mission Statement with striking out the new language and leaving it in its original format. Ms. VanNoy seconds, Board approves.

7. Outstanding Business:
   A. ASI Election Code: Dr. Genevieve Evans Taylor
      i. Specified that we will be changing the code once we obtain election software.

            a. Dr. Evans Taylor specifies that the Election Council will determine any action after hearing cases from those students.
      II. Ms. Pollack moves to approve the ASI Election Code, Ms. Farria seconds, motion passes.
   B. Budget Allocation Process for Clubs and Orgs
      i. Mr. Schallert does not believe Student Government has the resources to provide the club funding as specified by Senator Douglas Whitesell. The proposal was put forward to the Board by Senator Whitesell and as President Mr. Schallert believes that Student Government has the ability to continue with the current funding but cannot, without additional resources, go forward with the proposed allocation process. Mr. Schallert specified that the new Student Government Budget Allocation Process was not approved by the Senate.
         I. Board inquired if Mr. Schallert would like to strike the proposal from the table.
         II. Mr. Schallert specified that because it was not an agenda item of his or Student Government’s but of Senator Whitesell’s, he cannot remove it from the ASI Board agenda.
      ii. Ms. Klein specifies her concern regarding the timeline, clubs and orgs have undergone several growing pains and she feels if we go forward with this timeline Clubs and Organizations my withdrawal their application. A process should be started in Spring
and provide a training, explanation, and counsel. Ms. Klein proposes that within the student leadership transition conference there should be a specific time for old and new officers to go over their budget.

I. Dr. Evans Taylor asked how clubs and organization can be funded for the semester to come. Ms. Klein specified that we allocate what they requested in the prior semester.

iii. Mr. Lebioda suggests that we vote on a process and then work out the logistics based on student concerns. Motions that ASI develop a transition process for the club allocation process, motion passes.

I. Mr. Schallert specified that if they have a transition process then Student Government will be able to handle the proposed allocation.

iv. ASI: Mr. Wagner moves to approve the ASI budget allocation process, Ms. Farria seconds,

I. Ms. Klein, yes; Ms. Farria, yes; Mr. Wagner, yes, Dr. Adams, yes , Ms. Coville, yes; Ms. Farnell, yes; Ms. Pollack, abstain, Ms. Lockwood, yes, Mr. Lebioda, yes; Mr. Booker yes, Mr. Schallert, No with an addendum included at a later date. Motion passes.
