   a. Summary of Student Union traffic for November & December (Christine Thompson): No report
   b. AOA Conference (Dr. Evans Taylor): AB 1233 addresses the governing structures for auxiliary organizations. AB 1233 is in alignment with California Nonprofit Public Benefit Corporation Law which states the following:
      i. Cannot have nonvoting members on Board or Committee
ii. No proxy voting is permitted at any board or committee meeting
iii. No veto power
iv. SB 8 by Senator Yee – (previously SB 330) – public records for auxiliary organizations
v. Disclosure of donor names
vi. AOA creating own bill
vii. EO 1052 – reimbursement of university for costs incurred from auxiliaries (IT, OPC, Budget and Finance). May be withdrawn and replaced in the near future.
viii. Since coming back from AOA, I have thoroughly reviewed these documents and compared them to our current governing documents (By-Laws, Operating Agreement, and Articles of Incorporation). We owe an extreme amount of gratitude to Vice President Coville for her efforts and diligence in the creation and writing of these documents. They are very well written and cover nearly all of the issues addressed through these recent Executive Orders and state mandates. There are a few minor changes which will need to be made as a result of AB1233 and I will give these to you for review by our next meeting.

c. Custodial Service (Dr. Evans Taylor): Danny McDougald moved back to University. Raul Dominguez staying on Monday through Friday.

9) Outstanding Business

10) New Business

  a. Policy and Procedure updates
     i. Student Union – weekend traffic and 10-11pm weekday, hours of operation (Christine Thompson): (See Appendix A) Review of the hours of operation for the Fall 2010 semester; on average there were 9.8 students in the building on any given Saturday and 14.2 students on any given Sunday. On weekends from 10:00pm-11:00pm there were 3.43. Labor costs associated from keeping the building open during these times averages around $5,500. Directive from the Board to increase efforts to get more traffic into the Student Union. An increase in marketing, events, programming, as well as evaluating students who use the building on these times will allow the Board to make the best possible decisions regarding hours of operation.
     b. DSA Student Success Indicators (Dr. Evans Taylor)
        i. Student Union Statement of Purpose – proposed changes : See Appendix B

11) Adjournment
