8) New Business:
   a. Childcare Center (Dr. Karp, Dr. Tollefson, Rocio Nieves, Isabel Nieves and Patricia Magaña):
      • The Project Vista students gave the board an update on their childcare center progress. If you would like a copy of the presentation, please email the ASI Board Secretary. They shared that childcare is an obstacle for prospective CI students and it would also effect the attendance of graduate school. They are asking for
volunteers and shared that their club ‘Children of CI’ meets every Thursday from 7:30-8:30pm in Dorado Hall. Mr. Lebioda asked about the timing of each phase, which they presented on. At this time, due to the amount of transition there is no definite timeline. There is a need for a large amount of funding for this project and they’re currently looking for grant opportunities. Their goal is to have it complete 3-4 years once they have a building in place. They envision a small beginning of 12 children with 1600 square feet indoors and 1800 square feet outdoors. At this time, they currently want to raise visibility and have people be aware of these efforts. Furthermore, to remind everyone that we are one out of 3 CSU’s without a childcare center.

b. Student Programming Board Entity Restructure (Ms. Viñas & Ms. Elmer):

- The President and Vice President of SPB presented on their restructure plan. If you would like a copy of their presentation, please email the ASI Board Secretary. They recognized that the restructure won’t work immediately, however it’s for future use and to maintain a sustainable organization. The board asked how the managers are trained. 2 managers meet with Ms. Viñas and Ms. Elmer for debriefing and they’re given timelines. Ms. Bahena shared that she has seen the influence of this restructure and believes that there will be more applicants for future leadership roles. SPB will be changing their constitution over winter break.

c. Election Code Updates (ASI Chair):

- Some of the changes that were discussed were:
  1. To define what a campaign party is and to change it to “campaign team.”
  2. Adding a separate line that states that in order to run you have to pay the ASI fee. Administration advised to have this sentence be written carefully and strategically.
  3. A discussion took place about the maximum amount of units a student can take while in position.
  4. Public notice of the complaint. Ms. Derrico urged that the complaint should be known and briefly written.
  5. Online voting and the amount of time allocated to vote.

Ms. Cervi urged the board to come to the next council meeting to have their input be included in discussion.
