**\*indicates individuals elected to a position**

To be deemed the winner of a position, all candidates must receive votes from a minimum of 10% of the total number of students who cast votes in the current ASI elections. To be deemed the winner of an opposed position, candidates who receive the most votes will be elected to the position. CISync serves as the secured voting online system which authenticates eligible student voters and voter identification remains anonymous. Candidates who run for and are elected to more than one office will be required to choose the office they wish to assume within seven days of the close of the ASI Elections. Students log-in using their own CI credentials. Any issues accessing the ASI Elections ballot are addressed with individual student voters as reported. The ASI Elections Council Chair, an ASI Elections Council student member, and an ASI staff member are responsible for confirming the election results.
